

FOCUS LIKE AN OLYMPIAN

Olympic Champions

Clear Goals Simple Plan

They understand the steps they need to take to allow them to win

FOCUS

Urgent Deadlines

They must perform well in competition and be consistent to reach qualifying times

They train before they do anything else

Partnership and Innovation

If they aren't fast or strong enough they find strong training partners

Look for technology to improve performance

Believe in themselves and their purpose

They don't believe negative news

Passionate about winning

Have Coaches and Vision Keepers

They partner with a vision keeper who helps them see the big picture and hold the vision

SUCCESS

You and Your Business

1. Do you have a simple written plan?

2. What are the must have products or services your customers need right now?

1. What deadlines can you set?

2. When will you begin taking 30-60 minutes of focus time daily?

1. List 3-4 people or companies you can partner with to improve and expand your service?

2. What technology or outsourcing will improve productivity?

1. What were you put in the world to do?

2. What would it take for you to be doing it?

1. Am I coaching others effectively?

2. Who is my vision keeper?

FOCUS

ACCELERATES

VALUE

Your Time is Now! Maximizing Opportunities to Thrive in Life and Business.
